STORY

"In order to guide this world to slow rain", Shureal and Namur, who each possess a fragment of the god Marduk, were to become the "kings of this world". But they are not the only ones aiming to become king. The Mercenary King of the North, Shureal's Adad, leads Ashur's army to subjugate Eshnunna. His true aim was to absorb the wisdom of the "Laws of Eshnunna" in order to rule the people of "this world's king". Namur and Shureal join forces with Eshnunna and propose a strategy for certain victory against Shureal's Adad. However, the plan is thwarted by Elil, the daughter of the goddess "Adad's King". And what's more, Shureal is taken away as a candidate for Shureal's Adad's queen. Meanwhile, Namur is shot with arrows by the Ashur's forces while pursuing Shureal and Shureal's Adad and is saved by Shureal and Elil, who both possess fragments of the same god as Namur. Then, Namur learns that Shureal is confined in Ashur city Nushur and to bring her back with his own two hands. Around that time, Shureal led his body with two patients and forced to experience some ending pain by the terrible Elil.

Aide to
Mari's Prince-
Gil

But were
deaths really
necessary?

Which is
all the more
reason why we
must not fail
to kill Elle!

So to divert her
attention, even
only slightly...

We have
to use a large
number of units
as decoys.

Elle has
an ability to see
into the distance,
called "Gaze"
Focus"

She'll
notice our
approach for
sure.

Why does
he know about
such a secret
passage...?

That was
faster than I
thought...

Sharu!

Ge.

Sharu

We can reach
the city center
by the shortest
path.

And only Father's
royal family knows of
this underground
passage.

I can
only see one
place at a time
with my dad's
Focus

How
bether-
some

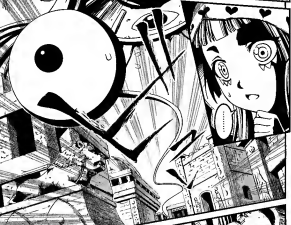

Did they
appear at all six
gates at once
to confuse
us ?

They say
they don't see
any enemy soldiers

We're trained
and the odds
of the earth
favor us...

Reporting

There are no troops here, Erel-sama ...

SAVED THE TROOPS IN THE TEMPLE DISTRICT HERE!

Ah?

.....

Why are the likes of Erel's troops allowed about the royal family's secret passages?

What is the meaning of this?

AS THE HEAD PRIEST, I COULDN'T POSSIBLY ALLOW THAT.

THOSE WHO ARE NOT PRIESTS ARE NOT ALLOWED IN THIS SACRED TEMPLE DISTRICT.

It really is difficult using incompetent pawns.

I understand my Master's father's hardships well.

I believe I did to place troops in the temple district as well.

They
are
here,
aren't
they?

Uh...?

If you're
that opposed
to allowing
troops into
the temple
district...

I'll use
different
plans

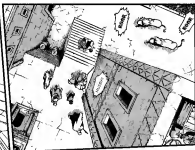

The little
darlings that
are raised in
the Temple of
Shameless to
run errands
for the gods?

We even thought about saving her without you...

But we waited.

Running off on your own and worrying me like that...

If the Boss wanted to, he could easily find out where Miss Shazu was.

Without you and Enright...

We can't win.

cenary King's
ridiculously
powerful
daughter...

BASTARD!

WHAT'S

We can't possibly
challenge Akad's 6

Both you

need to do
my best in
bringing out
what little
intelligence
you have.

I've

to kill
you this
